TOURISTS MAKE GOOD

Catania, April 12.—Catania and its neighboring Sicillian villages are estimated to have more than made up from the increased tourist trade, in eldental to Mount Aetna's eruption for the damages done by the volcano,

hands. Fruit growers on the mountain slope have suffered heavily through the destruction of their viceyards, orchards, and, in some cases FRANK FRANTA their hands into the visitors' pockets. Townspeople, however, are unanimously happy.

First and last, fully 100,000 people are said to have rushed into the district thus far. Hotels, boarding houses and private residences have been packed as never before. For HIS the most primative accommodations prodigious prices have been charged

The damage done by the volcano is placed at \$5,000,000. Considering the lavishness with which the visitors spent money, and the rapidity with which their landlords gathered it in, the estimate that this loss was more than made up is probably moderate.

Even the volcano sufferers will lose neither completely nor permahandkerchief from his hip pocket to receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams soil gains so much in fertility that wave it at her. bumper crops always follow an erup-

COLONIST RATES

OREGON

AND THE **Great Northwest**

The management of the Southern Pacific Co., (Lines in Oregon) takes great pleasure in announcing that the low rates from Eastern cities, which have done so much in past seasons to stimulate travel to and settlement in Oregon, will prevail again this spring DAILY from March 1 to April 15, inclu-

People of Oregon

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.

FARES CAN BE PREPAID at home if desired. Any agent of the road named is authorized to receive the required deposit and telegraph ticket to any point in the East.

REMEMBER THE RATES-From Chicago, \$33; from St. Louis, \$32; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.
